We have watched our clients enter the Genesis portion of their program and seen a remarkable thing happen. Women are try emotionally courageous as the face the false belief system, choose to walk through the pain of memory, walk through the grief the memory initiates, then choose to forgive. It has made a profound difference in our program.

**Pastor Ted Roberts** – Senior Pastor, East Hill Foursquare Church, Gresham, OR. Author: Pure Desire Process for Sexual Healing  
The "Genesis Process" is a gift from God. It's a relevant, biblically balanced, effective and profoundly practical. It is able to help folks who may have lost hope not only find it again through real change and healing, but also for them to experience the Grace of God. **The Genesis Process** is an integration of Biblical principles, proven relapse prevention

techniques, cognitive therapy and the latest research in neurochemistry. This process has proven successful in maintaining long-term recovery in clinical trials and recovery programs. The *Genesis Process* is successful because it deals with subconscious relapse patterns by addressing the underlying faulty belief systems that support them.

Client use of the *Genesis Process Workbook*, when facilitated by a *Certified Genesis Process Counselor*, has proven successful in diverse settings. While the *Genesis Process'* main target is the chemically dependent, it is easily adaptable to other self-destructive or unhealthy coping behaviors. The process is also sensitive to each client's level of spiritual maturity.

### Genesis Training Covers

- \* Assessing the client's willingness and capacity to change.
- \* Uncovering and challenging faulty beliefs and destructive behavior.
- \* Turning mistakes into growth.
- \* Reducing self-sabotage behaviors.
- \* Addressing root causes of behavior.
- \* Seeing and interrupting 'dry relapse' patterns.

- \* Promoting steady growth in seven critical areas.
- \* Creating true healing thru client/counselor partnerships with God.
- \* Administering deep, spiritual healing.
- \* NEW: You will also learn to use the *Genesis Process for Change Groups*.

**The Purpose of a Genesis Counselor Training Seminar** is to prepare and certify counselors in Relapse
