

Brownies in a Jar

A FAMILY ACTIVITY

- Step 1:** Preheat oven to 350 F. Combine dry ingredients in the jar (flour, sugar, cocoa powder, and salt.) in a large bowl. Set aside.
- Step 2:** Beat 2/3 cup of softened butter or margarine, and 2 egg in a large bowl until blended. Add in the brownie mix (dry ingredients) until combined with wet ingredients.
- Step 3:** Pour your brownie mixture into a baking pan. Bake for 20-30 mins. You decide! Let them cool and enjoy with the whole family!
