

# DIY Sharpie Mugs

- Step 1:** Sketch out some ideas on a piece of paper.
- Step 2:** Once you have your idea - Draw on your mug with the sharpie.  
(Remember these are permanent markers)
- Step 3:** Preheat the oven to 350 - Ask an adult for help with this step!
- Step 4:** Once you are happy with your mug design, place your mug on a cooking sheet and put it in the oven and set timer for 30 minutes - Ask an adult for help with this step!
- Step 5:** Once your mug is done - take it out of the oven and let it cool for 30 mins - Ask an adult for help with this step!
- Step 6:** Ready to give to your special person!
